

# Walvoil supports Abhyudaya Global Village School Project Impact Report 2022-23

---

**Abhyudaya Global Village School is extremely grateful to the Walvoil Group for supporting us not only with the furniture but with the quick response and the act of gracious giving. The project has come to an end and is leading to a new beginning. The new building is ready with furniture funded by the Walvoil group.**

## **Background**

Abhyudaya Global Village School is coming up with the new school building. The new building didn't have the suitable furniture. A major part of the furniture was supported by the Walvoil Group.

## **Impact**

Anticipated Impact of the project would be:

1. The students would get a well furnished Composite Science Lab and a Computer Lab where their curiosity will be nurtured.
2. They would get display boards in all the classrooms so that they can display their expressions.
3. The administrative staff will perform better because of the ergonomics and ambience in the admin block.
4. The residential students will feel at home, comfortable and respected in the hostel with a bed, a cupboard and a study table.

## **Objective and the Scope**

The objective is to provide the rural children an infrastructure which values their growth and development.

The scope of the project is defined and it has covered a major part of the entire school's furniture. It includes the following:

- a. Composite Science Lab
- b. Computer Lab
- c. Administrative Block
- d. Residential Blocks (4)

## **Status of the Project:**

The requested amount was disbursed in parts and the entire furniture work has been completed for the use of the school.
